Sprint works for business.

WHY SPRINT? A network that works for business

- ✓ High capacity
- ✓ High speed
- ✓ Multi-spectrum
- ✓ Secure and resilient
- ✓ Converged
- ✓ Managed

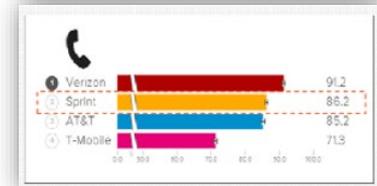

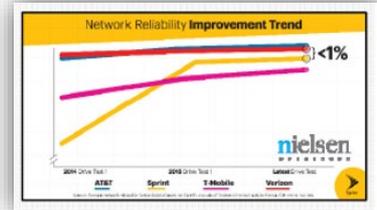

Network reliability has never been better

PC Magazine:
“Sprint is Back”

People are noticing.

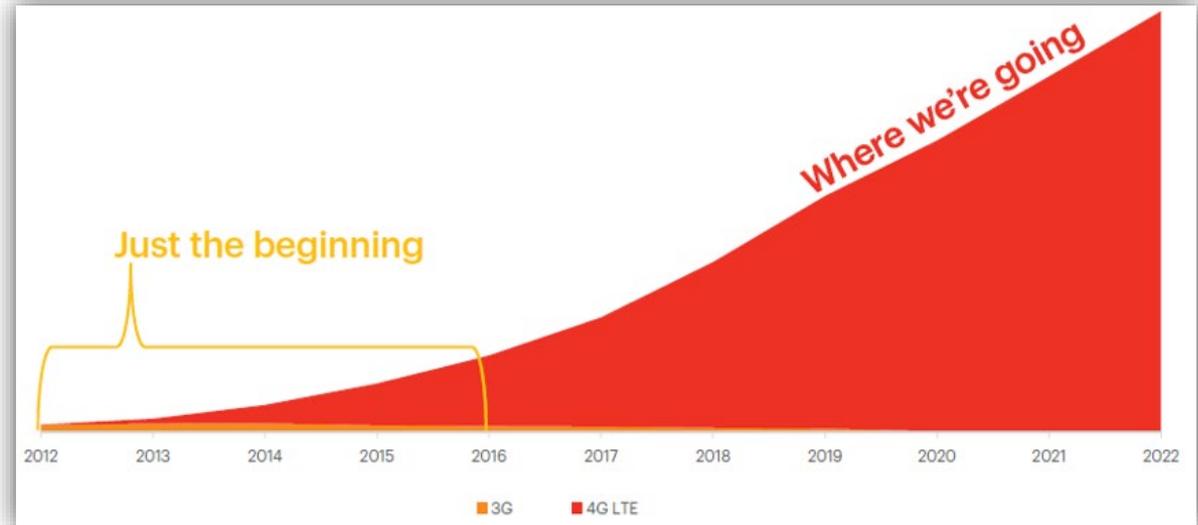

- Sprint is now within 1% of Verizon in network reliability. Why would you pay twice as much for a 1% difference?
- Sprint finished second in J.D. Power 2016 U.S. Wireless Network Quality Performance Study
- Sprint has beaten AT&T for the second time in a row for call quality as measured by RootMetrics

Poised for
continued
success

Sprint demand for 4G LTE:

4G LTE coverage is increasing, driving more demand for 4G LTE.
